

Professional Supervision in Wales – school leader and manager feedback

“They helped me to think about different situations and scenarios and made me very reflective around what is happening in my school setting.”

“Feeling I had a safe and protected space was invaluable. My supervisor validated my struggles and has undoubtedly offered me safety, support, challenge and kindness.”

“My supervisor was brilliant. I am so, so happy that I signed up for the sessions, they got me through a difficult year and have given me hope for the future. I’m sad the sessions have finished.”

“I really appreciate the time my supervisor took with me and all the help she offered.”

“The tips/ suggestions made and documents sent following each session made such a positive difference to my work-life balance and helped me to understand myself far more than I believed possible!”

“An empathetic and considerate supervisor, with great skills in helping me to address my concerns and challenges.”

Supervision has a professional focus and is totally confidential. It is time dedicated to your role as an education leader, and will help you to improve your wellbeing. [Sign up now!](#)
