Education Support

Wellbeing Advisory Service in Wales – school feedback

"The resources sent over to me were brilliant, and there is a lot that I will be able to use."

"The Advisor helped me to map out an action plan for implementing a whole school improvement of staff wellbeing. I felt very supported."

"I could be completely open without worrying about saying the right thing."

"It was a safe place for me to voice my concerns and to receive professional advice regarding managing and leading a school."

"This is such a wonderful service - all schools should take up the offer!"

"The conversation was easy and my Advisor shared lots of useful ideas and information."
